If you are a current graduate student, you **MUST** check with your department before you submit this form. This form must be submitted by the student.

Submitting the Change of Degree Objective Form

1. Enter your Name and UGA ID
2. In the Old Degree Objective section, please select your current department and current Major/Degree.
3. In the New Degree Objective section, please select your current department and select the Major/Degree you would like to be moved into.
4. Click the box if changing from master's to doctoral level.
5. Enter your major professor's name in the box.
6. List reason for changing your degree objective.
7. Hit Submit.
8. If form is submitted correctly, you will see confirmation on the page and receive a confirmation email.

Thank you for submitting the Request for Change of Degree Objective (G136) form.
